- 13 PAYMENT**
- 13.1 The Price and/or each rate making up the Price is fixed, is exclusive of GST (unless stated otherwise) and will not be subject to adjustment for rise and fall or for exchange rate variations. Unless expressly stated in this Contract, no other sums, fees or charges will be payable in relation to the Goods supplied and/or Services performed, or in relation to this Contract generally.
- 13.2 Unless stated otherwise in the Contract, the Supplier must submit to the Purchaser a Payment Claim on the last day of each month. If a Payment Claim is submitted earlier than the last day of the month, then the Purchaser will deem that the Payment Claim was submitted on the last day of the month. If a Payment Claim is submitted later than the last day of the month or if it was submitted earlier than the last day of the month but is not in the form required by this clause, then the Purchaser will deem that the Payment Claim is not submitted until the last day of the following month. Each Payment Claim must:
- contain sufficient detail for the Purchaser to calculate the amount owing;
 - be provided in a format approved by the Purchaser and constitute a valid tax invoice; and
 - include all supporting documentation.
- 13.3 The amount payable by the Purchaser to the Supplier in relation to each Payment Claim is calculated as follows:
- if rates apply, by applying the rates to the quantities of Goods delivered and/or Services performed by the Supplier in accordance with this Contract, as measured by the Purchaser;
 - if unit prices apply, by applying the unit prices to the quantities of Goods delivered and/or Services performed by the Supplier in accordance with this Contract, as measured by the Purchaser;
 - otherwise, by valuing the Goods and/or Services supplied and work completed to the date of the Payment Claim (as a proportion of the Price);
 - by adding or subtracting any other amounts due from one Party to the other under the Contract; and
 - by deducting retention money pursuant to this Contract.
- 13.4 The Purchaser must assess each Payment Claim within twenty-one (21) days of deemed submission under clause 13.2.
- 13.5 The Purchaser must pay the Supplier the amount calculated by the Purchaser as payable in relation to the Payment Claim within as follows:
- if a Security of Payment Act does not apply to the supply of Goods and/or performance of the Services, then within forty-five (45) days from the end of the month in which the Payment Claim was deemed to have been submitted; or
 - if a Security of Payment Act applies to the supply of Goods and/or performance of the Services, then within
 - forty-two (42) days from the day in which the Payment Claim was deemed to have been submitted; or
 - if a Security of Payment Act makes payment mandatory within a shorter period of time than forty-two (42) days, the last day of the mandatory payment period pursuant to the Security of Payment Act from the date the Payment Claim is deemed to have been submitted under this clause.
- 13.6 To the extent permitted by law, the Purchaser shall not be liable for any Claim submitted by the Supplier more than six (6) months following the delivery of Goods and/or completion of the Services.
- 13.7 Following the delivery of the last Goods and those Goods being deemed Acceptable and/or Completion of the Services, the Supplier will submit its final Payment Claim and automatically releases the Purchaser from any liability to make any other payments (other than the final Payment Claim as assessed) to the Supplier.
- 13.8 Payment for the Goods and/or Services does not constitute acceptance of the Goods and/or Services but is a payment on account only.
- 13.9 Without limiting the Purchaser's rights under any provision in this Contract, the Purchaser may deduct from any sums due to the Supplier (including in respect of a Payment Claim or any retention) any sum which the Purchaser asserts is or may become payable by the Supplier to the Purchaser, including:
- any debts or moneys due or becoming due by the Supplier (or the Supplier's Personnel) to the Purchaser; and
 - any Claim to money which the Purchaser has or may have against the Supplier (or the Supplier's Personnel) whether the Purchaser's right to payment arises by way of damages (whether liquidated or unliquidated), debt, restitution or otherwise, arising under or in connection with this Contract and/or the Project. For the avoidance of doubt, nothing in this clause will affect the right of the Purchaser to recover from the Supplier the whole of any such sum or any balance that remains owing.
- 14 VARIATIONS**
- 14.1 The Purchaser may, at any time, issue a Variation, including omitting any Goods and/or Services with a view to undertaking the supply and/or performance by the Purchaser itself or by a third party, and the Supplier must perform the Variation. The Supplier must provide an estimate of the cost of the Variation and the impact on the Date for Delivery within seven (7) days of the Variation being issued.
- 14.2 If the Supplier considers that a Direction from the Purchaser is a Direction for a Variation but which does not comply with the formal requirements of a Variation, in order to have any entitlement arising from that Direction, the Supplier must, within seven (7) days of that Direction and before commencing work pursuant to the Direction, notify the Purchaser in writing that the Supplier considers that the work is a Variation together with an estimate of the cost of the Variation and the impact on the Date for Delivery.
- 14.3 Where the Purchaser issues a Variation, the Price will be altered by an amount calculated in the following order of priority:
- to the extent that the Parties have agreed the amount of the alteration, then the amount agreed;
 - to the extent that this Contract provides for the amount of the alteration, then that amount;
 - to the extent that the rates contained in this Contract apply, by applying those rates to the quantities properly supplied in accordance with this Contract; and

Purchase Order Terms and Conditions

- (d) failing any of the above being applicable, then by the amount reasonably assessed by the Purchaser.
- 14.4 To have any entitlement to any extra payment or for an extension of time as a consequence of performing a Variation, or, the Goods or Services the subject of a Direction which it considers to be a Direction for a Variation, the Supplier must strictly comply with the requirements of this clause 14.
- 15 EXTENSION OF TIME**
- 15.1 The Supplier must, on becoming aware of anything which will or is likely to cause delay to the Acceptance of the Goods and/or Completion of the Services shall promptly, and in any event within 24 hours, give the Purchaser written notice of that cause, the estimated delay and mitigation steps the Supplier is taking to mitigate the delay.
- 15.2 The Purchaser may, by notice in writing to the Supplier, extend the Date for Delivery (acting reasonably). The Purchaser is not under any circumstances obliged to exercise this discretion for the benefit of the Supplier. The Supplier is not entitled to Claim any additional payments as a result of the later Date for Delivery.
- 15.3 The Supplier is only entitled to an extension to the Date for Delivery when:
- the Supplier can demonstrate that it actually has been or will be delayed in achieving the Date for Delivery by:
 - a Variation; or
 - any act or omission by the Purchaser or Purchaser's Personnel,
 - the cause was beyond the reasonable control of the Supplier;
 - the Supplier has not contributed to the cause and has taken all reasonable steps to mitigate the effect of the delay; and
 - the Supplier has given the Purchaser all notices strictly in accordance with the requirements of this clause.
- 15.4 Where one period of delay has more than one cause, and if one or more of those causes is not a cause for which the Supplier is entitled to claim an extension of time, the Supplier will have no entitlement to an extension of time to the extent that the causes of delay occur concurrently.
- 15.5 Where the Supplier wishes to make a claim for an extension of time, the Supplier must give a notice in writing to the Purchaser within five (5) days of the commencement of the cause of the delay occurring which provides full detailed particulars of the cause of the delay, how that cause has delayed or will delay the Supplier from achieving the Date for Delivery, the period of the delay (including the dates of commencement and, if applicable, conclusion of the delay) and the extension of time claimed.
- 15.6 The Purchaser will determine the period of any extension of time to the Date for Delivery to which the Supplier is entitled as a consequence of the alleged cause of the delay. A failure of the Purchaser to grant a reasonable extension of time will not cause the Date for Delivery to be set at large.
- 15.7 For each day that the Date for Delivery is extended by the Purchaser in accordance with clause 15.6 due to a breach of this Contract by the Purchaser, the Purchaser will pay the Supplier the direct on-site costs (but not any off-site overheads or profit) that are actually, properly and reasonably incurred by the Supplier and provided the Supplier has supplied the Purchaser with evidence satisfactory to the Purchaser of the relevant amount.
- 15.8 Except as otherwise expressly provided in this clause 15, the:
- Supplier's sole remedy for delay shall be an extension of time to the Date for Delivery as provided in this Contract and the Supplier shall not be entitled to any costs, losses, expenses or damages as a result of or in connection with any delay or extension of time.
 - Supplier will have no entitlement to claim any extension of time or any costs in relation to delay or disruption.
- 16 LATE DELIVERY**
- 16.1 If the Supplier does not achieve:
- Acceptance of the Goods; or
 - Completion of the Services,
- by the Date for Delivery (including in respect of any Separable Portion), the Supplier will be liable to the Purchaser for liquidated damages in the amount identified in the Contract from the Date for Delivery up to and including the Date of Delivery. The amount is a debt due from the Supplier to the Purchaser.
- 16.2 All amounts of such liquidated damages for which the Supplier may become liable under this Contract are agreed to be a genuine pre-estimate of the loss which may be sustained by the Purchaser in the event that the Supplier fails to comply with the relevant obligation under the Contract and are not a penalty.
- 16.3 The payment of liquidated damages under this Contract does not prevent the Purchaser from exercising any other rights and remedies provided for under this Contract and does not relieve the Supplier from its obligations to diligently deliver the Goods and perform the Services or from any other obligations and liabilities under the Contract.
- 16.4 If:
- the Contract does not have any amount stated or any provision completed for liquidated damages; or
 - any provision in the Contract is completed by words which indicate that liquidated damages will not apply to this Contract (including by the use of the words 'not applicable', 'nil' or otherwise); or
 - if the imposition of liquidated damages is found to be unenforceable for any reason, the Purchaser will be entitled to Claim in respect of the delay and the Supplier must indemnify the Purchaser from any loss, cost, damage or expense suffered or incurred by the Purchaser by reason of the Supplier not achieving Acceptance of the Goods and/or Completion of the Services by the Date for Delivery.
- 17 ACCESS**
- 17.1 The Supplier acknowledges that if the Supplier enters the Site or any other premises in connection with the Contract, the Supplier must take all measures necessary to protect people and property, avoid unnecessary interference with the passage of people and vehicles and prevent nuisance and unnecessary noise and disturbance.
- 17.2 The Supplier must obtain all necessary permits and approvals to supply the Goods to the Delivery Location and/or undertake the Services at the Delivery Location.

- 17.4 The Purchaser is not responsible for any damage done to the Supplier's property (including property of the Supplier's personnel, consultants, agents or subcontractors) or for any personal injury sustained by any of the Supplier's personnel, consultants, agents or subcontractors occurring on the Site or any other premises. The Supplier unconditionally and irrevocably releases the Purchaser from that responsibility and indemnifies the Purchaser against any loss or damage which the Purchaser or any of the Purchaser's related bodies corporate as that term is defined in the *Corporations Act 2001* (Cth) (hereafter referred to as "**Related Bodies Corporate**") suffer as a result of any third party bringing an action against the Purchaser or against any of the Purchaser's Related Bodies Corporate in respect of any such circumstances.
- 18 HEALTH AND SAFETY**
- 18.1 The Supplier must provide to the Purchaser, a Material Safety Data Sheets (MSDS) and identify potential hazards in the use and application of material substances prior to or on delivery of the Goods. Such information must include measures and precautions to be taken in storing and handling the Goods.
- 18.2 Where Goods supplied by the Supplier to the Purchaser are plant and/or equipment or where the performance of the Services requires plant and/or equipment to be used, the Supplier must ensure:
- the plant and equipment is in safe working order, repair and condition and complies with current occupational health and safety legislation or codes of practice;
 - that a compliance certificate is provided by the Supplier to the Purchaser confirming that the plant and equipment is in compliance with current occupational health and safety legislation or codes of practice; and

- 19 INDEMNITY AND LIABILITY**
- 19.1 The Supplier acknowledges that if the Supplier enters the Delivery Location, then to the extent permitted by law, the Supplier does so at the Supplier's own risk and in compliance with all applicable Site rules, or as otherwise directed by the Purchaser.
- 19.2 The Supplier will be liable for, and must indemnify the Purchaser and keep the Purchaser indemnified from and against any liability and any loss, injury or damage of any kind whatsoever arising out of an act or omission of the Supplier or its Personnel or a breach of the Contract by the Supplier or its Personnel, but the indemnity shall be reduced proportionately to the extent that the act or omission of the Purchaser or Purchaser's Personnel may have contributed to the liability, injury loss or damage.
- 19.3 Notwithstanding any other provision in this Contract to the contrary (but subject to clause 26.7) and to the extent permitted by law, the Supplier's total aggregate liability to the Purchaser whether arising out of or in connection with the Contract, under statute, in tort (for negligence or otherwise) or any other basis in law or equity, is limited to the greater of the:
- 200% of the Price; and
 - the limit of any relevant insurance coverage required to be maintained by the Supplier under this Contract,
- but nothing in this clause 19.3 will affect or reduce the Supplier's liability arising out of or in connection with any Exempt Liability and such liability will not be taken into account in determining whether the Supplier's limitation has been reached.
- 19.4 It is not necessary for the Purchaser to incur expense or make payment before enforcing a right of indemnity conferred by this Contract.
- 19.5 Notwithstanding any other provision in this Contract and to the extent permitted by law, the Purchaser's total aggregate liability whether arising out of or in connection with the Contract, under statute, in tort (for negligence or otherwise) or any other basis in law or in equity, will be limited to the greater of the:
- Price;
 - the limit of any relevant insurance coverage required to be maintained by the Purchaser under this Contract.
- 19.6 Notwithstanding any other provision of this Contract to the contrary and to the full extent permitted by law:
- neither Party will be liable to the other (including in respect of any indemnity), on any basis (including negligence, tort, contract, statute, equity or otherwise), for any Consequential Loss arising under or in connection with this Contract, and the Purchaser is released from any liability to the Supplier, and the Supplier is released from any liability to the Purchaser, in respect of such Consequential Loss (but nothing in this clause 19.6 will affect or reduce a Party's liability to the other Party arising out of or in connection with any Exempt Liability); and
 - the Supplier will indemnify (and will keep indemnified) the Purchaser (and the Purchaser's Personnel) from and against any liabilities claimed or made on any basis (including negligence, tort, contract, statute, equity or otherwise) by third parties (with whom the Purchaser does not have a contractual relationship in relation to the Project) for Consequential Loss against the Purchaser (and the Purchaser's Personnel) directly or indirectly arising out of or in connection with the Goods, Services or this Contract to the extent that Consequential Loss was caused, or contributed to, by the Supplier.
- 19.7 It is agreed that to the extent permitted by law the operation of the Proportionate Liability Legislation is excluded in relation to any Claims brought by the Purchaser against the Supplier in connection with this Contract whether such claims are sought to be enforced in contract, tort or otherwise.
- 19.8 If any of the provisions of the Proportionate Liability Legislation apply to any claim between the Purchaser and the Supplier whether in contract, tort or otherwise, the Supplier will indemnify the Purchaser against:
- any liability to or claim by any other person; and
 - any cost, loss, expense or damage incurred by the Purchaser,
- or which the Supplier would be liable but for the operation of the Proportionate Liability Legislation.
- 19.9 The provisions of this clause 19 will survive the expiration or termination of this Contract.

- 20.1 The Supplier must effect and maintain the following insurance policies for the duration of the Contract:

 - public liability insurance that provides cover of at least \$10 million per event in relation to liability arising out of personal injury, death, disease or illness, or liability to third parties for loss or damage to property caused by or in connection with the Goods and/or Services or otherwise in relation to the Supplier's performance of this Contract and the public liability insurance must cover the Supplier and their Secondary Subcontractors;
 - workers' compensation insurance against its liability to its employees or persons deemed to be employees as required under any applicable legislation; and

- 20.2 If the Supplier fails to comply with any provisions relating to insurance, the Purchaser may, but is not obliged to, effect, renew, or pay the premium due in respect of the relevant insurance policies, and may recover the cost of doing so as a debt due from the Supplier.
- 20.3 Compliance with all provisions relating to insurance is a condition precedent to payment. The Purchaser shall not be in breach of this Contract should payment be delayed or withheld due to the Supplier's non-compliance with such provisions.
- 20.4 In relation to each insurance policy referred to in this clause 20, the Supplier must:
- with the exception of the professional indemnity policy (if it is required), cover the Purchaser's entire liability for claims arising from or in connection with the performance of the supply of Goods and/or Services under this Contract;
 - with the exception of the professional indemnity policy (if it is required), ensure that all insurances required to be taken out pursuant to this clause 20 are treated as primary insurances which will be required to respond in priority to any insurance taken out by the Purchaser or the principal in respect of the same or similar risk; any

Purchase Order Terms and Conditions

- deductible under any insurance taken out by the Supplier shall be borne wholly by the Supplier;
- (c) with the exception of the professional indemnity policy (if it is required), require its insurers to include a principal's indemnity extension to cover the Purchaser for their vicarious liability arising out of the actions of the Supplier and/or their Secondary Subcontractors, a cross liability provision stipulating that such insurances shall apply as though separate policies had been issued to each insured;
- (d) with the exception of the professional indemnity policy (if it is required), cause its insurers to waive all rights of subrogation against the Purchaser in respect of any claim arising out of the insurance policies;
- (e) provide to the Purchaser, before commencing the supply of the Goods and/or the Services and being entitled to any payment under this Contract or following any request from the Purchaser, certificates of currency and any other evidence of the insurance policies that the Purchaser reasonably requires; and
- (f) provide the Purchaser with a copy of any notice, cancellation, non-renewal or material alteration given by the insurer within twenty-four (24) hours of receipt.
- 21 DEFAULT**
- 21.1 In addition to any other rights that the Purchaser has under this Contract or at law, if the Supplier commits a breach of any obligation in this Contract which, in the Purchaser's opinion is capable of remedy, the Purchaser may give the Supplier a written notice of default. A notice provided under this clause 21.1 must specify the breach and the date by which the Supplier must rectify the breach. If there is no timeframe specified, then it shall be within a reasonable time.
- 21.2 Time is of the essence and if the Supplier has not performed any of its obligations under this Contract within the prescribed time periods, then the Purchaser is entitled, at its sole discretion, to treat such a breach as a breach which is not capable of remedy.
- 21.3 If:
- (a) the Supplier fails to rectify the default within the time specified in a notice given under clause 21.1;
- (b) the breach is, in the Purchaser's opinion, not capable of being remedied;
- (c) in respect of clause 21.3(c), there is a Change in Control of the Supplier without the Purchaser's prior written approval; or
- (d) an Insolvency Event occurs in relation to the Supplier, the Purchaser may, by notice in writing, do either or both of the following:
- (e) suspend payments due or which may become due under this Contract; and/or
- (f) either:
- (i) immediately take over the incomplete Goods and/or Services and the Supplier's plant and equipment at the Site, and at its option have the Goods and/or Services completed and delivered by itself or others; or
- (ii) terminate this Contract, in which case the respective rights and liabilities of the Parties will be the same as they would be at common law if the Supplier had wrongfully repudiated the Contract.
- 21.4 If the Purchaser exercises the power in clause 21.3(f)(i), then, when the Goods have been delivered and deemed Acceptable and/or Services have achieved Completion, and when anything else the Supplier was obligated to undertake pursuant to this Contract has been done, the Purchaser must calculate the difference between:
- (a) the additional cost of having the Supplier's obligations completed by itself (including its own management and administrative costs) or any other third party or parties, and any other loss, cost, damage or expense suffered or incurred by reason of the Supplier's default; and
- (b) the amount of suspended payments and security (including any retention) called on by the Purchaser.
- 21.5 If the calculation results in a shortfall to the Purchaser, the Supplier must pay the amount of the shortfall to the Purchaser within seven (7) days of a written demand for payment.
- 21.6 If the Purchaser fails to comply with its payment obligations under this Contract, the Supplier may give the Purchaser a written notice of default. A notice provided under this clause 21.6 must specify the breach and the date by which the Purchaser must rectify the breach, which must not be earlier than twenty-eight (28) days from the date of the notice. If the Purchaser does not remedy the breach within the required period, the Supplier may give the Purchaser a notice of termination that the Contract will be terminated for breach if the Purchaser does not remedy the breach within a further twenty-eight (28) days or fails to propose a reasonably remediation plan for the Purchaser to remedy, as soon as practicable, the breach subject of the breach notice. If the Purchaser does not remedy the breach following the notice of termination, the Supplier may terminate the Contract by notice immediately. The Supplier will have no right to terminate the Contract unless it has strictly complied with this clause. The Supplier has no other rights for the Purchaser's breach of this Contract (including no right to suspend its obligations) other than under this clause 21.6. If the Contract is terminated pursuant to this clause, the Supplier is only entitled to claim and be paid:
- (a) the value of the Goods supplied and/or Services undertaken up to the date of termination (as assessed if it was a Payment Claim); and
- (b) the actual and reasonable costs incurred in demobilising the Supplier's plant, equipment and Personnel from the Delivery Location.
- 21.7 If it is determined that a termination of this Contract by the Purchaser is wrongful, such termination will be deemed a termination for convenience under clause 21 and the Supplier's rights and remedies upon termination will be limited to those set out under clause 21.
- 22 TERMINATION FOR CONVENIENCE**
- 22.1 The Purchaser may in its absolute discretion terminate the Contract, in whole or in part, for its convenience, by providing reasonable written notice to the Supplier.
- 22.2 Upon receipt of the notice of termination for convenience, the Supplier must not place any further orders for Goods or incur any further liabilities for the purposes of the Contract and must comply with any Directions contained in the notice of termination for convenience.
- 22.3 In the event of termination for convenience by the Purchaser, the Supplier may only claim payment from the Purchaser:
- (a) for any Goods and/or Services supplied and/or performed in accordance with the Contract at the date of termination and not included in any previous payment (as assessed if it was a Payment Claim); and
- (b) the actual and reasonable costs incurred in demobilising the Supplier's plant, equipment and Personnel from the Delivery Location.
- 22.4 No action taken by the Purchaser under this clause 21 will operate to prejudice the rights, remedies, powers, authorities and discretions of the Purchaser and the accrued liabilities of the Supplier (all of which must continue in full force and effect as if there had been no such termination) with respect to the Goods delivered and/or Services that are completed in accordance with the Contract.
- 23 CUSTOMS CLEARANCE AND CUSTOMS DUTY**
- 23.1 The Supplier is responsible for handling and clearing through customs in all applicable jurisdictions (including Australia), all overseas sourced Goods, materials, plant, and other items that are to be supplied by the Supplier under this Contract.
- 23.2 The Supplier must bear and pay for any Australian customs duty that may be payable in connection with the importation into Australia of:
- (a) any plant or equipment used to manufacture or transport the Goods; and
- (b) the Goods, materials, plant, or other items required to repair, replace or rectify any loss, damage or defect that the Supplier is required to repair, replace or rectify at its cost.
- 24 GST**
- 24.1 In this clause 24, GST means GST within the meaning of A New Tax System (Goods and Services Tax) Act 1999 (Cth) (as amended) and terms which are defined in that Act have the same meaning in this Contract.
- 24.2 Unless otherwise expressly stated, the Price and any other amounts due to the Supplier are exclusive of GST.
- 24.3 In addition to any payment obligation of the Purchaser for a taxable supply in connection with this agreement, the Purchaser must pay to the Supplier the GST payable by the Supplier on any taxable supply under this Contract.
- 24.4 If this Contract requires a Party to pay for, reimburse or compensate against any expense or liability (reimbursable expense) incurred by the other Party (payee) to a third party, the amount to be paid, reimbursed or compensated is the amount of the reimbursable expense net of any input tax credit to which the payee is entitled in respect of the reimbursable expense (net amount).
- 25 DISPUTE RESOLUTION**
- 25.1 In the event of a Dispute, either Party may deliver a Notice of Dispute.
- 25.2 Notwithstanding the existence of a dispute the Supplier shall continue to perform the Contract, including compliance by the Supplier with all Directions by the Purchaser.
- 25.3 If a Notice of Dispute is delivered, senior executives of both Parties having authority to resolve the Dispute must meet within fourteen (14) days after the delivery of the Notice of Dispute to attempt to resolve the Dispute ("Executive Conference"). Unless otherwise agreed in writing, all communications at, or relating to, the Executive Conference are without prejudice.
- 25.4 Subject only to clause 25.5, it is a condition precedent to either Party commencing legal proceedings in respect of a Dispute that:
- (a) a Notice of Dispute has been delivered in relation to the Dispute; and
- (b) an Executive Conference has taken place (or the Party seeking to issue legal proceedings has attempted to arrange an Executive Conference to take place) to attempt to resolve the Dispute;
- (c) at least sixty (60) days have passed after delivery of the relevant Notice of Dispute; and
- (d) the Party seeking to issue legal proceedings has complied to the extent reasonably possible with its obligations in clause 25.
- 25.5 Nothing in this clause will prejudice the right of a Party to seek urgent injunctive or declaratory relief.
- 26 BUILDING CODE REQUIREMENTS**
- 26.1 The Code for the Tendering and Performance of Building Work 2016 (Cth) (as amended) ("Building Code") may apply to this Project. By agreeing to undertake the supply of Goods and/or perform the Services, you will be taken to have read and to agree to comply with the Building Code should the Building Code apply to the Project. The Building Code is available at: <https://www.legislation.gov.au/Details/F2019C00289>.
- 27 PRIVACY ACT**
- 27.1 Each Party agrees to comply with their obligations under the Privacy Act in respect of Personal Information obtained or disclosed to them pursuant to this Contract.
- 27.2 Each Party warrants to the other Party that it has complied with the Privacy Act in obtaining Personal Information disclosed pursuant to this Contract.
- 27.3 If the Supplier fails to comply with any aspect of this clause 27 then, without limiting any of the Purchaser's other rights under the Contract or at law the Supplier must indemnify the Purchaser against any loss arising out of or in connection with such failure.
- 28 MODERN SLAVERY**
- 28.1 The Purchaser works to comply with the requirements of Modern Slavery Laws and expects the same of its consultants, suppliers and subcontractors.
- 28.2 The Supplier warrants and agrees that it:
- (a) is aware of all applicable obligations of the Supplier under Modern Slavery Laws;
- (b) has complied, and will comply at all times, with Modern Slavery Laws;
- (c) has taken, and will continue to take, all reasonable and necessary steps to identify, investigate and eliminate Modern Slavery in its operations and supply chains to ensure no such Modern Slavery exists; and
- (d) will promptly upon request and at no cost to the Purchaser, provide all information reasonably requested by the Purchaser regarding the Supplier's operations and supply chains to enable the Purchaser to comply with its own obligations, including as to reporting, under Modern Slavery Laws.
- 28.3 If the Supplier fails to remedy, or provide an acceptable plan to remedy, any identified instances of Modern Slavery within its operations and supply chain within the time frame specified by the Purchaser, the Purchaser may immediately terminate this Contract in accordance with clause 21.3.
- 29 BUSINESS CONDUCT**
- 29.1 The Purchaser adopts a no tolerance policy in relation to bribery, corruption and secret commissions or profits. At all times, the Supplier and the Supplier's Personnel must comply with:
- (a) MACA Codes of Business Conduct; and
- (b) Business Conduct Laws.
- 29.2 The Supplier represents and warrants that as at the date of this Contract:
- (a) it shall comply with MACA Codes of Business Conduct;
